A screenshot of the Google PageSpeed Insights mobile friendly report. The top navigation bar shows 'Page Speed Insights' and 'Mobile friendly'. The main content area has a green header 'Page is mobile friendly'. Below it, a large green smartphone icon is centered. A green box contains the text 'This page is easy to use on a mobile device.' To the left, there's a sidebar with 'Additional resources' and three items: 'View detailed mobile usability report', 'Learn more about mobile friendly pages', and 'Find opportunities to optimize in our discussion group'. The bottom right corner features a yellow 'Share' button.

... La homeostasis (del griego ὁμοιος, ‘igual’, ‘similar’, [1] y στάσις stasis, ‘estado’, ‘estabilidad’ [2]) es una propiedad de los organismos que consiste en su capacidad de mantener una condición interna estable compensando los cambios en su entorno mediante el intercambio regulado de materia y energía con el exterior (metabolismo).
